

Cookies and Privacy policies

1) COOKIES POLICY

Cookies are text files placed on your computer to collect standard internet log information and visitor behavior information. This information is used to track visitor use of the website and to compile statistical reports on website activity.

This website or its third party tools use cookies, which are necessary to its functioning and required to achieve the purpose which is to provide with good operational functionalities, to insure security. We use cookies to make your interactions with our services faster, more secure and to help us detect malicious activity and violations of our User Agreement.

We do not use cookies for advertising purposes.

For further information, visit www.aboutcookies.org or www.allaboutcookies.org. You can set your browser not to accept cookies and the above websites tell you how to remove cookies from your browser. However in some cases some of our website features may not function as a result.

Because cookies are used throughout our websites, disabling them may prevent you from using certain parts of the sites.

The cookies used on our websites have been categorized based on the guidelines found in the ICC UK Cookie guide. We use the following categories on our websites and other online services:

Category 1 — Strictly Necessary Cookies

These cookies are essential to enable you to browse around our websites and use their features. Without these cookies, services like shopping baskets and e-billing cannot be provided.

Category 2 — Performance Cookies

These cookies collect information about how you use our websites — for instance, which pages you go to most. This data may be used to help optimize our websites and make them easier for you to navigate. These cookies are also used to let affiliates know if you came to one of our websites from an affiliate and if your visit resulted in the use or purchase of a product or service from us, including details of the product or service purchased. These cookies don't collect information that identifies you. All information these cookies collect is aggregated and therefore anonymous.

Category 3 — Functionality Cookies

These cookies allow our websites to remember choices you make while browsing. For instance, we may store your geographic location in a cookie to ensure that we show you our website localized for your area. We may also remember preferences such as text size, fonts, and other customizable site elements. They may also be used to keep track of what featured products or videos have been viewed to avoid repetition. The information these cookies collect will not personally identify you, and they cannot track your browsing activity on non-Apple websites.
