Judith Vergara Garcia – Born from the Earth – Oil on canvas – 76 x 52 cm

Spanish:

“Born from the Earth”, representa la conexión del hombre con la naturaleza. Resurge de la tierra como poseedor de todo lo que a ella pertenece, aparece rodeado de animales como símbolo de protección. Su cuerpo florece al igual que la naturaleza demostrando la continuidad de la vida.

English:

“Born from the Earth”, represents the connection of man with nature. It resurfaces from the earth as possessor of everything that belongs to it, appearing surrounded by animals as a symbol of protection. His body flowers just like nature, demonstrating the continuity of life.
